

# THAT'S my SPOT

DESIGN  
A SPACE  
FOR  
JACK-JACK

PRIZES  
WORTH  
**7K**

# THAT'S MY SPOT

Supers have become legal again .Elastigirl busy with her new assignment Mr.Incredible gets a tough time looking after the multi-powered toddler Jack-Jack.

Donned with the task of designing a playroom and training space for Jack-Jack that functions according to his powers yet protects their most dangerous secret .How will you tackle it?

## TEAM SPECTIFICATION

- Each team can have maximum of 4 people
- Team members will have to produce valid ID card for their institution
- Cross college teams are permitted
- Each participant should have his or her tathva ID

## PROBLEM STATEMENT

This competition calls for the participants to design a playroom for our little super hero Jack-Jack's along with a secret training space. Remember the playroom must look like any normal one for a baby from outside, but in reality functions in accordance with Jack-Jacks powers. The connectivity between the play room and the secret training space should be clearly depicted.

Size and specifications can be adopted by the participants. Maximum permitted area of the design 100 m<sup>2</sup> .More innovative your ideas more are your chances to win.
